Howdy my filthy hornloggies, how y'all doin'? Are you ready to have your cock's world rocked harder than ever before? Well, I hope so because this here is MY issue of FOX and let me tell you that I am NOT messing around. My goal is to get you off and I won't quit trying until you can show me a handful of freshly-jacked spunk for my trouble. I've hand-selected a variety of Portland's choicest sluts to aid the cause, including Lizz Taylor, J.C. Simpson, Indigo Augustine, Amber Ashlee and more! They're all gonna strip naked and strut their stuff, showing off their tits, asses, pussies and clits so you can sport the stiffs of a lifetime. We're also gonna check out Charley Chase all nice and cumfy in our trademark "At Home" special, go on set with Jim Powers as he shoots **HARDCORE PARTYING** at a boner-fide frothhouse, and catch Rylie Richman putting out during an **AFTERNOON BANG OUT** webcast with Eric John. You'll even be able to catch up with girl-next-door-gone-pro-ho Kelly Klass in a Twitterview. Plus, don't miss your chance to nab one of the four copies of photographer seXXXtraordinaire Dave Naz's new book **BUTT BABES** that we're giving away or the signed copy of seXXXtreme ass seXXX addict Ashley Blue's just-published memoir, **GIRLVERT**. No matter what happens, your winner will win with this issue of FOX. So grab that dang and let's get it on!

my boyfriend because I don't want him to find out that I like *FOXX*. He's always trying to get me to watch dirty movies with him and I just won't have it.—*Wendy in Memphis via email*

ROOM FOR A VIEW?

Dear *FOXX*: I recently bought and looked through your October 2011 *FOXX* Magazine and, lo and behold, I could not find one good pussy picture. They are all covered up by cocks, dildos, vibrators, mouths and hands. Are these the kinds of pictures you think lonely men want to see or the kinds of pictures you just like to take? Personally, I like to see a completely nude woman (alone) spreading her legs as far as she can and showing her pussy to beat the band (among other things) with nothing obscuring the view.—*George on the Intravex*

THAT SEX STUFF

Dear *FOXX*: I love me some Lou Charmelle. Those foreign broads really do it for me. I jacked off about a million times imagining her murmuring to me in a French accent with her mouth full of my cum. I might even try to learn a few phrases if I hooked

up with a broad as hot as she is. Like "suck my dick" or "bend over" or "take your tits out." Over there in Europe, they are much more open-minded about that kind of shit than we are here. Don't get me wrong, I love the US of A but I think those Europeans may have something there about being more chill with all the sex stuff. Except for wife-swapping. Now that's something I would not be into. I'd like to find me a wife that all the guys want to fuck, but no actual fucking would occur.—*Vic from Indianapolis*

MAJOR THINKER

Dear *FOXX*: Do porn stars wear underwear when they go about their daily lives? It seems so unlikely that they do. I'd guess that most of them go to the grocery store and such with no skivvies on at all. That means they pretty much only wear panties to cover themselves up down there when they are working. And then they only wear panties in order to take them off again. It's fascinating if you stop and think about it.—*Ralph in UT*

WOOD LEFT TO SPARE

Dear *FOXX* Magazine: I consider myself to be a very lucky man. You see, aside from having

some health issues I am in pretty good shape. Most importantly my dick still works in the sense that I am quite capable of getting and maintaining an erection without any help from any pills or powders or anything of that nature. When I have a *FOXX* in my hands my boners are even better and stronger than I'd have thought possible. I feel like I could take down an entire room full of whores with wood left to spare. It's fantastic! There nothing else quite like it.—*Larry in CA*

BOUND TO FEEL BETTER?

Dear *FOXX*: I really like looking at photos of girl-on-girl action. Why don't more of those sets have one girl sporting a strap-on and tickling the other girl with it? I mean, they are willing to stick their tongues inside each other. Fingers too. Not to mention the myriad of hand-held dicks and vibrators and stuff like that, what's the big deal about strapping one on instead? I think that would be so much hotter. And it's bound to feel better to the one getting fucked with it, right? Then it would be more like fucking for real instead of just having someone shove something up inside them.—*Danny in MI via email*

J.C.
Simpson

Statuesque J.C. Simpson is pretty damn stunning, all 5'10" of her. A supermodel-sized fuck dolly, she's lean and lithe, with perky little booblets and a pert, smackable ass. This tart is still totally fresh, barely past her teenaged years and brimming over with piss and vinegar—when she's not all corked up with cock. A bottle blonde with a rowdy, can-do attitude, Miz Simpson will happily take down any man meat pointed stiffly in her direction. Hole-ly dedicated to her craft as a pleasure-provider, whenever she's not on the set shooting a scene J.C. exercises her cunny to keep it in tip-top ball draining shape. To do so, she pops a toy into her twat and just clenches away, flexing and relaxing the deepest confines of her clam until she's certain everything is in working order. Then she allows herself to enjoy a juicy O as a reward for all her hard work. J.C.'s life is golden. 🐾

DIRECTOR
JIM POWERS

SLUTS
LEILANI LEEANE, CAMI SMALLS,
EMMA ASH, SHYLA JAMESON

PIXX & ARTICLE BY JEFF HUBRIS

It's rush week here on frat row in Southern California. The sorority front yards ring with the chants and songs of hundreds of pledges being put through the paces by their upperclasswomen. A crew of t-shirted girls on a sorority rooftop have just dumped several garbage cans full of water onto a huge group of caroling pledges below. Other strategically placed sorority sisters douse the screaming, confused mob with hoses and water balloons. Shirtless fraternity members pound beers and watch the goings on across the street from their frat house porches. Fresh vagina on the hoof. There's a whole year, maybe more, to sample this new crop of talent. No hurry today. Time to drink.

Oblivious to the hell week breeding rituals taking place nearly everywhere on this sunny afternoon, inside a frat house at the end of the street, dirty, perverted pornography is being shot. Porn director Jim Powers is here shooting for a website called hardcorepartying.com. There are some porn people too. Chad Diamond and Ralph Long will provide reliable tube steak, along with a few others.

"All of the girls are usually the little sisters of the sororities who jump in these scenes," says Powers. "They're all greeks. Somehow beer and drinks always show up at these things with all of the greeks in the neighborhood. You've seen all of the singing and everything going on outside. It's just a party. Whoever wants to jump in these scenes to fuck gets to fuck. It's old fashioned pandemonium. It's not like all of those other shit things. This is real. I'm actually going to go back to college and get my Masters and pledge a different fraternity since mine is no longer on the campus. I'm going to be a fifty-year-old pledge. That's my goal in life. That would be a great movie—THE FIFTY-YEAR-OLD PLEDGE!"

The front-porch couches of this frat house that must remain anonymous are crash pads for beer-pounding guys and girls in various stages of inebriation. Inside, scores more prowl the beer-cup-littered floor, talking to each other over the din of this frat/beer hall. Powers is getting ready to shoot an orgy in an adjoining side room that will take place on and around two large sofas. Chad Diamond stands at ground zero, getting head from a red-bespectacled Sylea Jameson. She's the "pledge" who's here to curry favor with the frat boys. Emma Ash, Leilani Leeane and Cami Smalls are getting naked.

The fucking happens quickly. Long, Diamond, and two other gents named Jason and Hagi pick a pussy and dive in. Fifty or so onlookers holding beer cups group around the orgy zone. Some are quietly agitated, some cheer on the fuckers, but all are transfixed by the eight or so naked people sucking, blowing, trading off and fucking the stuffing out of each other, right there in front of them. A few clothed fraternity brothers grope an open pussy or offer up a dildo for a girl to sit on. These shots don't lie. You can see for yourself what went down. Powers yells that he wants no down time, just solid, insane fucking.

EMMA ASH: I'm from Los Angeles, I grew up here. I like it as rough as possible and as dirty as possible. All of that. That's what I like. I was raised in an extremely conservative household. My dad was a Baptist pastor and growing up I always got in trouble for masturbating and doing my thing. I was always having sex and stuff and doing porn sounded really fun.

CAMI SMALLS: Personally, I like my clit rubbed. That's like my favorite thing, even more than insertion. I don't know why. When I do both at the same time...every time I've squirted it's been from that. Honestly I think I'm bi because I like girls too so a lot of times I think about threesomes with, like, another girl eating me out or fingering me, you know? Rough sex for sure. Sometimes I masturbate in the shower. Sometimes it's in bed with a vibrator. I love vibrators and shower heads.

LETIANI LEGANE: I'm 18. I like rubbing my clit while I'm getting fucked. That gets me off, or if I'm on top I always know how to make myself cum. I like it hard and fast. I always cum that way. I've done a DP before. I loved it because all of the attention was on me. It was amazing. I have a vibrator so I just go BZZZZZZ. I have like different sizes. I like vibrators. I don't really care for dildos that much. I'd rather just use my Bullet. I'm from Lancaster, California originally. I'm just in school now and have sex.

SHYLA JAMESON: I love sex. I can't lie. I do like girls. I think that threesomes are probably the hottest thing ever. I love threesomes. Two girls and one guy. I love getting fucked in doggie style. It just feels so good. I like to use a vibrator. The wand is a little too powerful to be honest. I actually have a portable vibrator in my purse. I love rough sex, like pounding really hard and the guy pulling my hair and slapping me in the ass. I think it's so hot.

Above all else, college is about fucking. You may not be able to actually get paid for anything related to your "degree" if and when you graduate, but something that you will be able to keep forever are those great college hang out memories. Cheap, impersonal, sexual couplings are the precious moments that will mean the world to you once you get saddled with troubled relationships that require actual "work." Fuck that. Never again in your life will you be in a demographic situation where potential sexual partners will have been screened for enhanced age relativity and sexual accessibility. Those who recognize the precious nature of this advantageous situation always cash in while they can.

After a lengthy fuck marathon, each horny girl takes a load in the face. Chad Diamond sprays jizz on two upturned girl faces at once and it's over. Some of the audience wander away, others remain stunned, but many do their best to not betray feelings of shock and awe. A friendly blonde preppy dude drinking from a blue cup who could have just stepped off of a Cape Cod pleasure yacht wants to talk.

"This is amazing," he says. "It's almost wrenching. You're not accustomed to seeing this kind of thing this close, not on a video, you know?"

He's a good kid with an as yet undiluted moral compass. These are non-porn industry people whose parents threw down to send them to an upstanding, expensive learning institution. They're not used to this shit in person. Yet. Life is cruel.

SHAZLA SAHARI

Some people get sick of the same old snatch, day in and day out. The color, the taste, the smell...as soon as pussy becomes familiar—meh. Some guys are even so well-versed in vag that they can essentially sum up a slit at a glance, surmising how it would feel to be inside without sticking in so much as the tip. That's when there's a dire need for some truly exceptional poon to make a presence, such as the exotic orchid that is nestled between the thighs of dream girl Shazia Sahari. She is so lovely, so exquisite and so unlike the bulk of other girls in the sun bra. Shazia is truly something special. Her body will bring even the most jaded cooze connoisseur to his knees. Combined with a face that is so finely molded and caramel-colored skin that is smoothly sublime, Shazia's honey hole is just the icing on the cake. And her kind of cake's the best kind there is: it's possible to have it AND eat it, too. 🐱

DAVE NAZ'S BUTT BABES

Jenna Haze

Juicy, plump, round mounds of delectable flesh. The architectural fundament from which the rest of the body brilliantly blossoms. The most mesmerizing of all the feminine charms. This volume proves once more that Dave Naz has mastered the art of an erotica so intimate that the viewer is made to feel part of the photograph. Butt Babes invites you to go ahead... lose yourself in ass, that glorious masterpiece.

"Oriana Small has pushed herself to the outermost extremes of what the body and mind are capable of—all before turning thirty years old—and now she's made it an authentic read for the rest of us to marvel at, elevating the depravity and denial inherent in the pornographic arts to a singular literary experience." —James Frey, author of *A Million Little Pieces* and *Bright Shiny Morning*.

Pixxx by Chris King

Indigo Augustine & Keni

Somewhere between a set of blue balls and a violet-veined rager of a hard on lies Indigo. Even though she rocks a look that is rather distinct, there's something seriously sexy about her. But the embellishments on her bod are so extreme that some dudes simply can't go there and Indigo finds herself all mixed up with no one to blow. Thank god for open-minded woodsmen like Keni. He's able to move past the tats for the tits, which are full, round and teetering on perfection. In fact, all of Indigo is pleasingly-shaped, especially inside her pinz-petaled vagina. As far as Keni sees it, banging Indigo is like sticking his dick into a horny, breathing graphic novel who sucks and fucks like a horny superhero. And when it comes to the plot it's always just about to thicken- this time in big steamy droplets atop the just-stretched lips of her slit. 🐈

FOX: Where are you originally from?

KK: I'm originally from South Carolina.

What motivated you to get into the porn game?

I had a friend, Carmen Hart, ex-Wicked contract girl. She was feature dancing at the club I used to bartend at and it just sparked my interest. She eventually hooked me up with her feature dancing guy and he told me who I should contact in the porn

business, so it literally happened over night. I flew out to L.A. and started working immediately.

So you were just bartending, not dancing?

Uh, I did dance but when I met her I was bartending.

Where, slut, businesswoman, regular girl with a non-regular job or all of the above?

A whore gets paid to fuck, a slut does it because,

well, she just like to fuck. A businesswoman... well, they know how to make their money.

A regular girl—I'm not regular by any means so I'll say I'm a whore businesswoman. (laughs)

Twitter, facebook, site?

My twitter is just @kortneykane and my website is kortneykane.com and I have a blog which is kortneykane.com/blog

I've seen some of the stuff on your...

Yes, my blog is very important to me, I love it, it's like my virtual scrap-book so you can see lots of candid shots of me on there.

Any porn gossip or anyone/anything you want to vent about or rag on? lol

No...I'm not a gossip queen...but I'll definitely listen to any gossip that you have to share! (laughs)

What do you want from a man?

From a man??? Hmm... Well, I prefer the man to be the dominant one, strong, don't be a pussy—be a leader.

Dominant in the relationship or dominant in sex??

ALL of the above. (laughs)

That's right, you were choking yourself during the shoot.

That's right!!! (laughs)

What do you give in return?

Ohhh, I can give you anything you want.

Oh, shit... Okay... (laughs)

The favors are definitely reciprocated so don't worry about that. (laughs)

Future desires?

Future desires... You know, I take it one day at a time but I'm always looking to the future...always planning ahead...saving my money, planing my time wisely.

That's the business where side of you.

Yeah, that's the business woman in me...but ya know then I fuck for money so that's the whore part of me. Hahahaha

Guilt pleasures?

When I work hard I play hard and when I make a lot of money I spend a lot of money. haha

What do you usually spend it on?

I have a little thing with shoes...I'm a shoe girl, I could care less about bags but I definitely have a shoe thing... haha

When you're down, what lifts you up?

Mmmm, my good friends. I've met a few people here in L.A. who I cherish our time together and I'm really thankful for them.

That's hard to come by in L.A. — especially in this business

Yes, it's very hard to come by but I've found a few and I feel very lucky and very blessed in my life.

Do you ever have sex with civilians? And, if so, what type of guy turns you on?

I doooooo (big smile)... um... I recently...I'll just tell you... my last civilian was an MMA fighter so he's fit, he's dominant... my type of guy! (laughs)

CONTINUED ON PAGE 76

Could he contend with the pros—the pro porn guys?

He did! He was actually surprisingly better than some of the guys I work with.

A person can act on a sense of attraction, how do you act when you feel that UNDENIABLE attraction to someone?

Well, I tend to tell it like it is, so...when I feel an attraction I'm just going to tell you if I like you or not...or if I wanna fuck you or whatever...I don't hold back. I think that's why

I need a strong person in my life, because I'm so strong.

If you were a guy, how would you seduce you?

Oh god! (laughs) I don't know, that's so hard to say...cuz I hate pick-up lines and dating is so awkward... I don't know, just don't bullshit around and don't feed me a bunch of lines... just...I don't know...next question! Hahaha
Best orgasm. Describe that, like...where does it start?

Usually the best orgasms that I get are

when I have vaginal stimulation and anal stimulation at the same time. I like fucking with buttplugs or other toys in my ass or around my ass. That's always my biggest orgasm... it's so strong it makes my legs shake. I'll leave the rest to your imagination. (laughing)

What's your sexual secret weapon?

Hmm...um, I've been told that I suck a mean dick, so...I don't know...I guess that's not really a secret but if it works it works... hahaha! 🐱

DIRECTOR
ERIC JOHN

SLUT AND PUPPET
RYLIE RICHMAN, ERIC JOHN

PIXX & ARTICLE BY JEFF HUBRIS

82

Riley Richman is a twenty-year-old former waitress from smalltown North Carolina. She's here at the Erotique TV studios to fuck Eric John for around two or so hours, live on camera. Special attention has been paid to her finger and toenail paint jobs because she has been here before and has learned that Mr. John finds this kind of thing pleasing. He takes notice of the nail décor, that each of the polers and piggies are done up in different hues, and he thanks her.

"The nail thing really turns me on," he says. "It's like a miniature fetish."

Showing up to bang out Eric John when there's an opening has become part of Riley's daily work schedule. She has recently moved to El Lay to pursue the Porno Land lifestyle. Like so many, her options back home were limited and boring. Sex became a popular go-to recreational option.

"I was sexually a wild girl," she says in the middle of a pre-coital cigarette. "I lost my virginity and I was with a boy that was going into the army at the time who had just turned eighteen. For a while I was like a nympho, all I wanted was sex. I used to do it in crazy places like the woods and in a hunting stand twenty-five feet in the air. I've done it on a four-wheeler, and I've done it in a jeep and so many other different places."

Eric gets naked, sits on the bed and positions the still fully clothed Riley in front of the cameras.

"Why are we sitting around like this?" he asks. "Well, at the beginning we go on public and they can't see nudity so I'm using Riley as a shield. We do that really quick as an introduction."

There will be no posed boxcover stills, some direction or stops and starts to figure out sex positions and the pop choreography. The pace is leisurely and the emphasis here will be on getting laid. Imagine that: People just fuck.

"The structure of the show is just her and I doing what we want unless fans want us to do something," John says. "Then we'll do what they want. Kylie always wears high heels for me and she always dresses very well."

The Erotic TV concept became successful enough to allow John's entire operation to be moved across the street from his original Downtown L.A. apartment/studio to a spacious warehouse where he continues to stream sexual activity out onto the intranets that viewers throughout the universe seem to be willing to pay for. The action takes place on one or more fuck platforms surrounded by stationary cameras, lights and a computer station that today is manned by Travis Varjak, who will be monitoring input from humans everywhere who have logged on to watch the day's live copulation on their home computers.

Judging by the uncontested popularity of the real time webcam phenomenon, there is widespread appeal to viewing an actual fuck that is taking place RIGHT NOW rather than at some time in the past. Up until recently, unless you were actually able to be present at the actual fuck site, you were forced into getting yourself off to fucking that had already happened, which is lower on the hotness scale...I guess? Frankly, I'm confused. Is fucking that appears live on your computer screen that is taking place at a remote location on the other side of the globe SO MUCH HOTTER than fucking viewed on the same computer screen that could have theoretically taken place in the double wide next to yours, say, fifteen minutes or fifteen years ago? Hummm... Humans are a bunch of crazy, idiosyncratic motherfuckers, let me tell you.

Eric John decides it's time to go live. Travis cues Rylie's "song" and she starts a casual, private type blowjob, without faux erotic gagging and/or the phony sharp factor. She gets naked and John asks her to leave her shoes on.

Rylie: "This is like my theme song right here. The guy's good every time. How would you like to start?"

Eric: "How would YOU like to start?"

He munches some pussy and then makes a non-dramatic insert. They fuck in open mish and carry on an intermittent conversation while watching the video feed on a computer monitor.

"You're hitting that spot just right too. I'm about to squirt on my shoes y'all. I enjoy having his penis in me," she says. "One of the things I like about doing these shows with him is that I can actually watch, and watching is one of my favorite things."

Eric John's feet are sliding on the floor so he stops to put on some rubber soled sandals for more traction.

"We're just putting my penis where she wants it," he says. "We're not supposed to be following the recipe. The show works better that way. We just keep on doing the same kind of thing. The rhythm is so girl dependent. This crowd is very undemanding. Some crowds are all 'do this, do that.' Generally we pick the kind of music that each girl likes. We're very girl-tailored. I think that's the way to be, because you want the girl to be turned on. I'm always turned on. It's not hard."

RYLIE: I started porn in September 2020. I was online and there was this girl that was flirting with me for a couple of days and finally she says she thought her boss would really like me, so I asked what she did and she said she was in the adult entertainment industry and she said she made porn movies. I said that was really cool, where can I sign up, is it legit? I tried to find out as much as I could and they seemed pretty legit but came to find out they didn't have a license and this particular agency screws their girls over so bad. I was a waitress at a place called Amalfi's in North Carolina. I didn't graduate from high school, I actually dropped out twice. I had a lot of difficulty in school because of family mostly. My mom has been in and out of my life so we don't have the strongest relationship. My mom has some drug problems that she is battling as does my dad. I don't know how he is doing with his issues. My mom and I talk here and there. She has a phone designated to her. She knows what I'm doing and is really proud of me. She told me the other day she was out at the flea market and was looking around in the DVDs to find mine so she could show me off to her neighbor's son.

RYLIE: My brother is coming to live with me and I'm very excited about that, I haven't seen him since I was sixteen. He's talked about getting into porn too as talent. That just means we'll both have to pay more attention when we get a shoot and find out who the talent is. Or we'll both get on set and be awfully disappointed that we are both walking away broke. I haven't seen him in years but we still talk here and there. He's not too happy about what I do. I'm the only southerner in my family. To my knowledge everyone else is very northern. They make fun of my accent every time I talk to them. Once I started in front of cameras I thought it was really cool. I had tried a couple of amateur videos myself so I kind of had an idea, but not really...well I thought I did. Once I started doing it I found it was easy to get into character. I like learning new positions. Sex with each person is different depending on the person. You can go back and forth, wham, bam, thank you ma'am but you have to have a little technique. A lot of the times I do get off during scenes, it's really rare for me to fake it. I think one of the things the industry lacks nowadays is actual enjoyment of it. Anyone can mean and say ooh and ah and make their lips look like an "O." I like all sorts of things. There are a few things I've found that I don't like. I wish I could describe it but there is this certain way when being eaten out if you push the clit up and get right on it—lick it with your tongue—that feels good but if you do it a certain way, that shit does not feel good. I don't know how to explain but it's an odd little sensation. I've only met a couple guys in the industry that do it. Out of the whole bunch that I've done, maybe three have done it. Johnny Castle is a good pussy eater. One of my specifics sexually is if you are fingering me and you have two fingers and you go hard and fast, if I say pull out, pull out. That means I'm about to squirt whether you are using your hands or your dick. It's really hard for me to squirt while there is something in there so if I say pull out, that's for you to pull out. I've squirted here and there since I lost my virginity but I didn't really start noticing it until my last relationship. That relationship lasted almost four years. In my personal life I like sticking with one guy as long as it's good. That's my favorite part about it—the passion. You can't get that on-set. You could but if it's not from the right person that's just going to be awkward. I do not do anal. I would do it but I can't even do it in my personal life. I've got back problems that don't allow me to do it comfortably.

The laidback bang out continues through some doggie, a shoe-to-penis fuck and some cowgirl with a smoke break in between. Rylie squirts three times. After about two hours Eric blows load on her stomach from open missionary. They say bye to the viewers and she wipes down with a towel. No drama, no faked crescendo, no blissful facial. Just the way it went down. Rylie will earn half the money generated by the streaming session.

"We add up all of the revenue from all the channels we broadcast on and split it 50/50," John says. "Our distributors get a percentage, but out of the earnings we divide it by two and split it. We get the checks later so we're really advancing the girl. It's an advantage for the female talent in that on a day off where they're not doing a scene they can go and make money right then."

Weird that porno's new workable formula has come to this. After the traditional feature era, the insane gonzo years, and now the parody craze, porno has been trying hard to come up with any new twist. Maybe it looks like it's okay to just fuck again. 🐱

@Kelly Klass By @Gabriel_Lan

Class. Not a word you generally associate with your average porn whore, but then no one who's ever spent five minutes talking to Kelly Klass is ever going to mistake her for an average porn whore. This girl exudes class even when she's being filmed taking large cocks in any orifice, and eating copious amounts of high-end poon on a porn set. Behind that waifish figure and angelic smile lies the filthy mind of a full-blown nymphomaniac. Away from the camera, she is as nice and as sweet as you can get. Down to earth, and completely loyal to anyone who has the honor of calling her "friend." Kelly currently has well over 9,000 followers who would love to have that honor.

@Gabriel_Lan

Thank you so much for doing this. I've been looking forward to it for quite a while. Did I mention this interview was clothing optional?

@XxxKellyKlass

Thank you for interviewing me! Clothing optional? Well, naked it is! Wouldn't have it any other way :)

@Gabriel_Lan

Many people questioned my love of you early on, but you've proven me right, that you are a nice, good person. What do you say to the haters?

@XxxKellyKlass

I say thank you to all the fans and supporters. To my haters, if you spend time hating on me, I really wish you luck...

@XxxKellyKlass

but I thank you for spending your time hating on me! And I still love all of you!

@Gabriel_Lan

There is a lot of drama within the confines of porn valley. Why do you think drama is so much more amplified within the industry?

@XxxKellyKlass

Simple, it's like 1 big high school! We are all human, girls get jealous, etc etc. It isn't the easiest business. I'm guilty of being

@XxxKellyKlass

involved in drama, so I just stick to my close group of friends and my bf, life can be simple or complicated. I choose simplicity!

@Gabriel_Lan

You've had your share of stalkers, too. What are some of the craziest things some of them have done that you can share with us?

@XxxKellyKlass

Hmm, well the strangest experience was with my bf Kris Slater. He was constantly getting texts from an older lady... shall I call her fan?

@XxxKellyKlass

She was upset we were dating. She knew specifics of our relationship, etc. Little did I know she had 1 of her employees following me on Twitter

@XxxKellyKlass

as well as all of my friends, keeping tabs on us (my acct was private at the time!) It took me a few months, but I figured out who it was

@XxxKellyKlass

and I called them out. They deleted their profile, unless they're crazy and following me under a different name now!

@Gabriel_Lan

You were sick for quite a while this year. It turned out you had a kidney stone and a stomach ulcer. How are you doing now?

@XxxKellyKlass

Feeling much better! Slowly easing myself back into shooting!

@Gabriel_Lan

You could probably be described as a connoisseur of fine pussy. You really enjoy eating pussy, don't you?

@XxxKellyKlass

The honest answer is, I am VERY picky with girls. Both on film and in my personal life.

@XxxKellyKlass

I love pussy, but it has to be a girl I'm attracted to and I know I'd enjoy. I can fake liking certain guys, I can't girls :)

@Gabriel_Lan

I see... So, who are some of your favorite girls to have sit on your face?

@XxxKellyKlass

Victoria Lawton, Melanie Rios, Molly Cavalli, Veronica Avluv. Would love to work with Aaliyah Love, Lisa Ann, and Jessica Drake :-)

@Gabriel_Lan

While we're on the subject, is it just your pussy that is a goldmine or can all women make this claim if they use their pussies properly?

@XxxKellyKlass

Any woman can do it. Just gotta know how to work it work it!

@Gabriel_Lan

What is your definition of a good whore?

@XxxKellyKlass

Someone who knows what pleases herself; and doesn't mind showing her lover. Also, knowing what your lover likes, but also how you like it!

@Gabriel_Lan

Do you find it difficult to have what people would consider a "normal" relationship within the industry?

@XxxKellyKlass

The "norm" for industry relationships and civilian relationships is drastically different. Nobody can understand unless they are in this biz

@Gabriel_Lan

What is the best way to wake up your man in the morning?

@XxxKellyKlass

Light licking on the tip of the dick, with a little rubbing. I do this softly until it gets hard, then hop on for a ride!

@Gabriel_Lan

Do you like being woken up in the morning with a nice hard cock in the ass, vag, mouth...all of the above?

@XxxKellyKlass

In my pussy, of course!!!

@Gabriel_Lan

LoL, so a load of cum in the morning is like Wheaties. Cum—the breakfast of champion for dirty little sluts?

@XxxKellyKlass

Mmmm absolutely...Yes!!!

@Gabriel_Lan

So, when you are in a relationship, do you still like to get as much cock as possible when you're not on screen? Like how often on average?

@XxxKellyKlass

YES!!! At least 4-6 times a day!

@Gabriel_Lan

LoL, what about masturbating then? Do you even do that? Where do you find the time?

@XxxKellyKlass

Try to at least once daily! Always time for my pussy!

@Gabriel_Lan

I notice you are a recent proponent for the Lelo. Does that get you off better than the Hitachi Magic Wand?

@XxxKellyKlass

I like both! The Hitachi is good for quick, multiple orgasms! The Lelo is good b/c it takes a bit, but the orgasm is so intense I squirt!

@Gabriel_Lan

You didn't start off doing anal on screen but from your tweets it appears that you are addicted to it now. A lot in your personal life, huh?

@XxxKellyKlass

I do anal as much I can! I LOVE to enjoy anal, so I only do it when I'm in that mood. On film, I enjoy it, but in a much different way!

@Gabriel_Lan

I know you had considered getting breast implants at one time. Did you ultimately decide against it? What went into that decision?

@XxxKellyKlass

Around the time I was going to get the surgery, I left my old agency and joined the amazing roster of L.A. Direct, who currently represents me.

@XxxKellyKlass

I decided to postpone the surgery for a while, as I'm still considered new to this industry. I will definitely get the tits done 1 day!

@Gabriel_Lan

I know you have an affinity for a certain pop star. Just what would you like to do with Justin Bieber anyway?

@XxxKellyKlass

One of my favorite pop stars also loves Justin Bieber, Lisa Ann. So, I'd call her, and would ask her to join me...

@XxxKellyKlass

She and I would have a fun night with him. He'd have to sing "Baby" and then...well the rest I'll leave to the imagination!

@Gabriel_Lan

You've done a couple of feature films lately, in addition to all the gonzo scenes. Would you like to do more features?

@XxxKellyKlass

I would LOVE to do features! I love being able to play a different character, other than "Kelly" with an actual story line!

@XxxKellyKlass

It's always fun to do something out of the norm. However, gonzo is still fun and something I enjoy too!

@Gabriel_Lan

I've referred to you many times as "The Prettiest Girl in the World." Who do you think is pretty? Do you consider yourself pretty?

@XxxKellyKlass

In this industry, I'd have to say the prettiest person is Miss Victoria Lawson! Not only is she all natural and beautiful, she has the best

@XxxKellyKlass

personality, very sweet, kind, and considerate! That's what I think is pretty! I think I am very pretty, just depends on the day! Lol

@Gabriel_Lan

In your opinion, is "dick therapy" the best cure for sadness or depression?

@XxxKellyKlass

Haha it usually works for me! But I think my man has the best dick, so I'm blessed and never deprived!

@Gabriel_Lan

What else do you do for fun when you are not getting your holes drilled both on screen and away from work? Lol

@XxxKellyKlass

I like to travel, that's the top! I love being home in Oklahoma with my dogs and family! While I'm in L.A., I shop, go to the beach, etc!

@Gabriel_Lan

Speaking of Oklahoma, when was the last time you were back home? It's been a while if I'm not mistaken...January!

@XxxKellyKlass

And I definitely miss it! Can't wait to visit! Miss the family!

@Gabriel_Lan

What's next for Kelly Klass? Is there something you haven't done on screen yet that you are interested in doing?

@XxxKellyKlass

Working on my site! Hopefully traveling in my future and shooting lots of sexy scenes for the fans!

@Gabriel_Lan

I'm sure you have some favorite companies to work for...who have you not worked for yet that you are wanting to display your talents for?

@XxxKellyKlass

I love any and all companies :-)) I always appreciate and go all out for any one that shoots me :-)

@Gabriel_Lan

Have you given any thought to life after porn...what would you like to do after your porn career is over?

@XxxKellyKlass

Be a mom!

@Gabriel_Lan

Is that something you've thought about? Family seems to be very important to you. Do you want a big family?

@XxxKellyKlass

Yes it sure is, family is VERY important to me! I would love to have a large family. 3-4 kids would be ideal, I want twin boys!

@Gabriel_Lan

You are a big animal lover, right? Don't you have a veritable zoo back home in Oklahoma?

@XxxKellyKlass

I love animals! They are so gentle and innocent! I'm a mommy to 8 dachshunds, all girls, back in Oklahoma! I also have kittens in Cali!

@Gabriel_Lan

What is the female equivalent of being kicked in the balls?

@XxxKellyKlass

For me, it is my nipples sucked or bit too hard!

@Gabriel_Lan

You've heard the saying "the best thing since sliced bread," right? What was the best thing before sliced bread?

@XxxKellyKlass

LoL, I don't even have an answer to that hahaha

@Gabriel_Lan

With this being the February issue, what's something special your guy can do for you on Valentine's Day?

@XxxKellyKlass

Give me good sex, and just treat me special on the romantic holiday!

@Gabriel_Lan

I haven't received a cellphone video from you in a while, and quite frankly I'm pretty disappointed. The others were epic! What gives? LoL

@XxxKellyKlass

I haven't done any videos in a while have I? I'll have to do one again soon :-)

@Gabriel_Lan

I can't wait :-)) Thanks again, prettiest girl in the world. Take care.

Lizz Taylor vs. Tim Von Swine

PIXXX BY PORCINE, INC.

Whenever foXXXy Lizz Tayler starts jonesin' for a love buzz, she's contacts her favorite spunk purveyor Tim von Swine and arranges for a hot pig injection. He's always willing to drop whatever it is that he's doing in order to swing by and slop her trough, and why not? That Lizzie's one good-looking broad. It should also be said that she sucks a mean cock, and TVS is always game to have his pork sword swallowed. To Lizzie's credit, she never neglects the sack and can suckle his scrood 'till the cows come home. As much as he'd like to pop all over her face, Tim knows he's there for a specific purpose, to drop a fat load exactly where she needs it most-right in the moist middle of her puss. See, Lizz has gone so long sans semen that she needed an intravaginous shot, stat. So Tim sunk his meat stick into her taco and delivered the goopy goods, and little Lizz happily oozed her way home. 🐷

CHARLEY
CHASE

So much love. There is a lot to love in Charley Chase. She loves to drink, party and fuck HARD. Never a disappointment. Not a cum dodger. Does not shirk sexual radicalism. Up for a good time. Fucks her brains out on or off camera. Not a faker. A very popular girl. FOX is here at Charley's apartment to have her show us around, hang out, have a drink and just relax. Part of knowing Charley Chase is to feel the presence of her personality. She's warm and real, from the great porn state of Kentucky. Humble beginnings. That's all you need to know. She starts talking about being at a hockey game last night. Look and listen. Come to the party.

FOX: You were at the hockey game last night and you partied your ass off!

CC: Oh my god I was hammered! I woke up this morning and went, how did I get here? I was really excited to see that all my belongings were with me and I wasn't in jail, although I was having a dream about being in jail and I woke up and thought, *That's really weird.* But either way it was fun!

Did you drive home by yourself?

No, absolutely not! I went with a group of people, me and the girls went, and a few other friends, so we took the subway into the Studio City area and then...or it was some kind of bus I guess it was. I don't really remember, I was drunk, and then we drove back here and I guess we hung out and smoked and had some Spaghetti-O's at some point.

What kind of bed is this?

Isn't it amazingly soft? It's just this amazing thing I have on it, it's six inches of plush. I love my bed!

You ended up here last night?

And so we just came back here I guess, I don't really remember. Well actually I remember up until the beginning of the last period. But it was cool, because when I got there, I was by myself. I had my driver drop me off and I was really excited to see they have a bar, because I was thinking they would only have wine and beer, and I'm fine with wine but I want to really drink. And so I was at the bar buying a drink and this guy just hands me these wristbands and says, *Here, these are wristbands to Hyde, the club upstairs.* And they had amazing box seats and your own bar, and a real sexy crowd and it was so cool. It was better because our seats before were so close that you couldn't really see anything.

Did the girls go to Hyde too?

Yeah! Yeah, the guy gave me wristbands for all of us. It was crazy. It must have been the spandex pants I was wearing. I was really excited. I was like, *Yeah! I need to come to hockey games more often!*

So you partied out, you made it back here, but you had a driver. See, that's the thing!

Absolutely, I did have a driver. No drinking and driving for me, that's not fun. It never works out.

You're from Louisville, Kentucky.

That's a great porn state.

Is it? I've heard there are a lot of porn stars from Kentucky.

Right off the top of my head there's you, Audrey Hollander, Charisma Cappelli and Angelina Valentine. There's something in the water there.

I try to tell everyone there's not much going on in Kentucky. You hang out as a kid and you don't really have anything to do, so of course you're just going to have sex. It's a good work-out, passes the time, it's better than doing drugs, and then you can combine the two! When you get a little older you experiment, and that's I guess that's how it all started. But you know what's funny is I had a boyfriend when I was living in Louisville, so as much sex as I was having, it was always with the same person.

You had a boyfriend and how long was that for?

I'm technically still dating the guy.

What?

That's the man I'm going to marry. Honestly!

And you're like a Super Slut.

Absolutely, but so was he, he's still in Louisville. We just haven't lived in the same state for three years now.

And I meant that in the best way possible...

Absolutely, trust me, I totally love it. So it's been three years since we lived in the same state, but we fell in love so young that we knew we had to step back and give each other some space, but I talk to him every single day, I see him every holiday, we're going to take a trip together for Christmas. Yeah, so I have that going on.

So you obviously have an open relationship?

Very open relationship. Yeah, it's a very open relationship.

You are so dark and beautiful. What's your ethnic breakdown?

I'm Puerto Rican and Italian.

That is a dangerous combination.

That's what the chili pepper's for on my butt cheek. It's like my warning sign. Spicy!

By the way, I love your bush. It's pretty long compared to everyone shaving these days.

I have a little comb and scissors that I use to trim it. I just pull it up and trim it. I sit on the toilet and do it.

You're in pretty good shape.

Well, I exert a lot of energy when I'm out partying, you know. Definitely I do.

Do you have any toys?

Lots of toys. Are you kidding me? We're at my house! I have all kinds of fun stuff. I just got a new one too. I have a whole sex drawer. It's all packed up right now but I have bag of lubes and oils, toys and all kinds of stuff.

Charley opens the toy bag and pulls out a red dildo still in the plastic. She cuts open the package and washes it in the bathroom sink. Penetration is at hand.

How long have you been out here in L.A?

I've lived in L.A. I think for three years almost, I've been in porn for about three years. This A/N [2012] it'll be four years.

So how much are you working now?

You want to see my schedule? It's unbelievable! I'm just crazy busy! Next week for instance, I shoot here on Tuesday and Wednesday for Digital Playground, and then Thursday I have to fly to work in New York all day, and then fly back that night to make it back to my Digital Playground set on Friday. So, it's going to be crazy!

A lot of girls are eating it right now, even good ones!

I know, it's crazy! I've always been good at

finding a way to keep myself busy with my tours that I do with Esquisite Pictures and Tom Byron Pictures, and then I also have my own website, so if I'm not working for someone else I will put myself to work.

What's your website?

www.thecharleychase.com

That's simple enough. What are the tours that you do, are they promo tours?

Yeah, they're promotion tours for the companies. It's not like a signing and I'm not in strip clubs. I go around and we stop in all the porn stores and say hi to the store owners and whoever is in the store, drop off signed posters and sign the DVDs of mine that are on the shelves just to be cool. It's been a great experience, and lots of traveling. Unbelievable amounts of traveling!

I know a bit about you...I know that you're a crazy "love to have sex a lot" type of person. Everywhere. A lot.

What's it like for you when you're on the road?

How promiscuous are you?

That's funny! One of the guys I travel with comes in very handy.

He's like a fuck buddy?

Yeah, but he's not in the business. He's one of the guys who does the tour with us.

I remember when I talked to you last time, I asked you what kind of sexual style you like, and you said I just like to be thrown down and don't like to think about it. Tell me about this.

It's still the same way. I definitely don't like to be in charge. I don't know why but it's just not a turn-on for me when I have to lead the way through, whatever. *If you want to fuck me, come over here and fuck me. Why are you talking to me about it?* You know what I mean? I've just always been like that, but you know lately, I've been finding that I can be more aggressive when it comes to girls. I can play a little bit more of a dominant role, in my personal life and at work, so that's interesting.

Tell me about your sexuality with women.

It's so much more animalistic than it is with men! Isn't that crazy? The sex that I have with women is totally different, it's really intense and very animalistic. That's what I think of. I was just having sex with Natasha Nice yesterday for our websites for PURA. The scene, it was crazy! We were all over the place. We almost broke this bench we were sitting on. It was nuts! **I want to know why it's more animalistic for you.** I really don't know either. It might have something to do with the reason that I can be more dominant with women too because I feel so much more experimental. With a guy, I want the guy to do things to me. But with a girl, I want to do things to the girl. It's weird. I don't know exactly why that works out, but I'm sure that they play on each other in some way.

Who eats pussy better, guys or girls? Do you think it matters or not?

I don't think it matters. I've only been able to have a full on outrageous orgasm from a guy doing pussy licking, but never has a girl been able to take it to a serious orgasm where like it makes me hot thinking about it!

I was thinking that maybe it's because girls will do it the way they want it to be done, which may not be your thing. A guy is going to go in there and motor away more, you know what I mean?

Exactly. Girls I feel like they think they know what they're doing, but maybe they don't.

But guys aspire to be good at it, they practice, they think about it, they watch videos to figure it out, so I feel like guys would have to take the rank on that one.

As far as fucking goes, you say you like to get thrown down and all of that. What's really getting you off lately?

The lazy doggie, where the pillow is under your pelvis and you're laying flat and your pelvis is elevated and the guy...oh god, it totally does it for me! It feels so good. Oh god, it feels so good!

And you're just not working that hard.

You know what? You've got to fucking hold on, that's for sure! But it's not so much that it's just the angle is perfect, it's so right, it's everything that you would want sex to be. Like especially the other day, I woke up and my back was all bruised and I was like, what the fuck? And I remember this guy, we were in the lazy doggie and I was coming so hard and he was biting me, but I didn't realize how bad it hurt at the time because the orgasm felt so good! I was literally in pain! I went to Kink and I did a shoot there and still, I walked away and the most painful thing was these bite marks. I thought, *Wow, I don't know, that position it really does it for me!* It's crazy!

But that's kind of a new development?

Yeah, it's definitely a new thing, because before I probably would have preferred normal doggie. I don't know why it changes, because before that I liked being on top.

Let's move on to the house for a moment.

Tell me about your bedroom here.

My room is my one place of peace and quiet. My life is so crazy and outrageous that I have to have one spot. So I have lots of candles, I burn them all the time. I could even possibly burn the house down! And the wine bottles, definitely lots of wine bottles, they make for perfect candle holders. I just love the way they look. It's pretty cool.

And with a lot of candles, a bang out is great!

And the canopy over the bed! The sex is amazing, the bed is so soft!

And it doesn't make noise!

There's that, but the only thing that sucks is, I'm not much into bringing guys home very often. I usually just bang them wherever I'm at, but when I do bring them home I don't necessarily want them to stay. So they go, *Damn, this bed's comfortable!* And then they want to pass out! So that's the only ewww that I have with the bed. Other than that, it's amazing!

Tell me about your living room, what do you do there?

My living room definitely is the smoke room. We roll lots of joints and smoke them there. And then of course it opens up to the dining room area where we have our dinner. All my wine glasses are in my dining room. And that's all right next to where the kitchen is, and that's where all the magic goes down. The bedroom and the kitchen are the two hot spots of the house! I cook a lot! We try all kinds of new stuff all the time, I like making home-made soups. I've got a roast thawing right now for tomorrow.

It's time to have a drink. There are empty wine bottles grouped on a bedroom table, a decorative motif that sends a message. This is a very clean, comfortable party zone. Charley opens

a fresh bottle of white, pours two glasses and hands me one. It's also taco time. She pulls out the makings and expertly assembles a batch and hands me a plate.

This wine just tastes so good. It's my favorite. I haven't even counted how many bottles I have but I have another one in the fridge. The collection, it just keeps going. They're everywhere.

What's outside?

I also have a porch, that's where the grill is. We do a whole lot of grilling too! I share this place with CeCe Stone, and Bailey Brooks stays with us when she comes to town. We've got a nice little set-up going here. Its cory, it's a comfortable place, it's definitely lived in, and I've lived here for over a year now. It's been a good year, it's been a fun year! And of course my bedroom, that's where ALL the fun's at!

That's where all the orgasms are at!

Yes. That and this is where I get my work done, like when I'm blogging and if I'm online for my website. There's a funny thing about the rose that's above my bed. A guy brought that over, and it's not so much the rose itself, I mean roses are beautiful and I love them, but his rose in particular, he had sex with me with it, it was the most sexy fucking thing ever! He tickled my whole body with it. It was like something out of a fucking movie. So that's why it's laying up there, it's like my good luck sex charm. It brings good luck to my sex game in this bed!

But you said you don't really bring that many dudes home?

I don't.

Yeah, that's probably smarter, unless you know them. So...I like your wine.

It's good right? It's a good wine. That's why I drink so much of it!

Do you drink any other kinds of wine?

Not if I can help it. My mom always had wine at the house, so I've been drinking wine forever. Before I would just drink whatever, but I'm pretty selective about my wine.

Speaking of your mom, what up with your family?

Everyone knows what I do and they've totally accepted it and are 100% supportive! They're Catholic that's for sure, but they're not going to disown me, not over this.

So what is up with your life right now?

Right now I am exactly where I want to be! I am exactly where I'd aspired to be a year ago. I've got my own place, I've got my website, I've done my taxes and I'm just exactly where I want to be! Now where it goes from here, I hope that it just continues to go up, because I'm doing good at the up thing! I'm doing good with that—I like it!!!

How long have I fucking been here? Like three hours? It seems more like three minutes. Charley Chase is doing well with the "up thing." Struggling through a sea of negativity upon this mortal coil from which we will all be shuffled soon enough, there are occasional times of apparent goodness and frivolity. We cling to those moments. We notice them. Charley Chase is an UP THING. Toss away your trouble and experience passes quickly. Then I think to myself what a wonderful world. You can't not have something for this girl.

AMBER
ACHILLES

PIXX BY RICK SHAMELESS

Hanging out with hard-balling Amber Ashlee is always an eXXXciting adventure. Although those who spend a day in her company may not know where they are going to end up, they are pretty much guaranteed to get off. That's because Amber is hot to trot and always ready to go. She likes fucking outside, indoors, during the day, at night...in other words, she willing to get it on wherever, whenever. She's got a sick, sexy body that looks great when splattered in jizz and a face that looks the hottest when she's in the throes of a wet, whopper of an orgasm. Not that she's all that hard to look at when her eyes aren't clenched shut during climax. Amber possesses an easygoing beauty that makes people wish she'd move right next door—and leave her curtains wide open while dancing naked with the light on. 🍆
